

Aluminum Printed Circuit Board (PCB) for 1W, 3W LED diameter 20mm, black

Reference: AM4311
EAN13: -
HS code: 85366930

Product attributes:

Product features:

PCB Color: Black

Product description:

Aluminum circuit board designed for 1W and 3W LEDs used for heat dissipation.

Size 20x20

thickness 1.4 mm

material aluminium

weight 33 grams
