

LED Flux 3mm, White, 120°, 5000mcd

Product codes:

Reference: AM4512

EAN13: -

UPC: 85414100

Product features:

Light color: White

Wavelength: 6000-7000 K

Angle of light: 120-130°

Luminosity: 5000 mcd

Current: 20 mA

Voltage: 3.0-3.4 V DC

Product attributes:

Product description:

Super bright Flux diode, see product specification for LED parameters.
