

RGB driver 18A, Touch RF driver

Product codes:

Reference: AM9635

EAN13: -

UPC: 94059900

Product features:

Voltage: 12-24 V DC

Waterproof grade: IP22

Product attributes:

Product description:

RGB Controller for any RGB diodes or LED strips
touch RF controller

working frequency 2.4Ghz

range up to 30 meters
color adjustment

20 preset lighting modes

brightness control

voltage 12V, 24V
max. power 18A (6A per color)

power supply 2x AAA batteries (not included)

controller size 110x52x20mm

controller size 85x45x23mm
