

Halogen bulb with G4 base, 20W, 12V

Product codes:

Reference: AM9059

EAN13: -

UPC: 85392290

Product features:

Light color: Warm white

Color temperature: 2700-3500 K

Luminosity: 240 lm

Patience: G4

Voltage: 12 V AC/DC

Performance: 20 W

CRI: 100

Lifetime: 2,000 hours

Energy class: G

Product attributes:

Product description:

Compact halogen bulb with G4 base is designed for low-voltage lighting systems powered by 12 V AC or DC. It offers instant start-up to full light output, smooth dimming and natural warm light suitable for technical, decorative and specialized applications.

Important notice for use

This light source is intended for industrial, laboratory or decorative applications only. Domestic use is not permitted due to current European Union regulations on energy efficiency.

Technical specifications

- Socket: G4
 - Rated voltage: 12V AC/DC
 - Power consumption: 20 W
-

- Luminous flux: 240 lm
- Chromatic temperature: 2700-3500 K
- Beam angle: 360°
- Lifespan: 2,000 hours
- Dimensions: 32 × 8 × 8 mm
- Weight: 2.5g
- Protection: IP20

Functions and features

- Smooth dimming without flickering
- Instant start without warm-up time
- Natural color rendering typical of halogen sources
- All-glass construction with compact dimensions
- Compatibility with standard G4 socket luminaires

Ideal for

- Decorative and accent lighting
- Technical and laboratory luminaires
- Furniture and recessed lighting (already banned in the EU)
- Industrial and special applications

Package contents

- 1× halogen bulb G4, 20 W, 12 V

Why choose this product?

- Stable and uniform light across the entire 360° beam angle
- Dimming possible without the need for special electronics
- Small dimensions allowing use even in limited space
- Proven halogen technology with natural light color
