# SMD LED Diode 100W, White

Reference: AM6868
EAN13: -
HS code: 85414100

## Product attributes:

## Product features:

Light color: White
Color temperature: 6000-6500 K
Angle of light: 120-140°
Luminosity: 8000-9000 lm
Current: 3500 mA
Voltage: 32-34 V DC
Performance: 100 W
Lifetime: 50,000 hours

## Product description:

The LED parameters can be found in the product specification.
