

SMD LED Diode 30W, Green 520-525nm

Product codes:

Reference: AM9998

EAN13: -

UPC: 85414100

Product features:

Light color: Green

Wavelength: 520-525 nm

Angle of light: 120-130°

Luminosity: 1800-2100 lm

Current: 900-1000 mA

Voltage: 32-36 V DC

Performance: 30 W

Chip: 30x30 mil

Product attributes:

Product description:

The LED parameters can be found in the product specification.
