

SMD LED Diode 100W, Green 520-525nm

Product codes:

Reference: AM1283

EAN13: -

UPC: 85414100

Product features:

Light color: Green

Wavelength: 520-525 nm

Angle of light: 120-130°

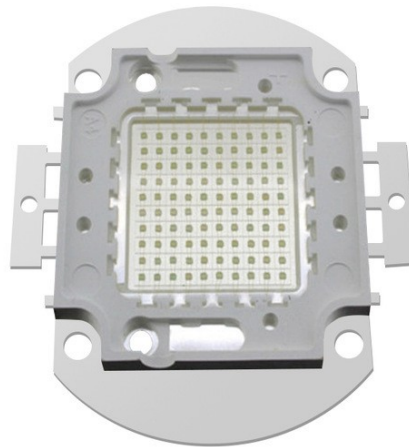

Luminosity: 5000-6000 lm

Current: 3000 mA

Voltage: 32-34 V DC

Performance: 100 W

Chip: 30x30 mil

Product attributes:

Product description:

The LED parameters can be found in the product specification.
