

Time delay module with relay

Reference: AM9265
EAN13: -
HS code: 85364190

Product attributes:

Product features:

Voltage: 5-30 V DC
Waterproof grade: IP20
Max. switching current: 10 A
Construction: By screwing

Product description:

When the button is pressed, the relay is switched on for the set time. Delay setting by multi-turn SMD trimmer in the range of 100ms - 24s. NO and NC connection.

Adjustable switching time 100ms to 24s

Potential-free relay contact

USB power supply option (e.g. using a power bank)

Power supply voltage: 5-30V DC

Operating current:
