

AMS1117 3.3V stabilizer SMT SOT-223

Reference: AM4189

EAN13: -

HS code: 85429000

Product attributes:

Product features:

Product description:

Stabilized output voltage: 3.3V

Output current: up to 800mA

Temperature range: -40 to 125°C

Housing: SMT SOT-223
