

Bridge rectifier MB6F

Reference: AM1032

EAN13: -

HS code: 85429000

Product attributes:

Product features:

Housing: F-SOP-4

Execution: SMD

Product description:

Maximum closing voltage: 600V

Current in forward direction I_f : 0.5A

Maximum impulse current: 35A

Temperature range: -65 to +125 °C

Case: F-SOP-4
