

# Bipolar transistor BC857B, SOT-23

Reference: AM3977

EAN13: -

HS code: 85411000

## Product attributes:

## Product features:

Housing: SOT-23

## Product description:

SMD design

Transistor polarity: PNP

Transistor series: BC

Power P: 250mW

Gain: 200-450hFE

Collector current  $I_c$  0.1A

Collector-emitter voltage (UCEO): 45V

Frequency (fT): 100MHz

Temperature range: -55 to 150°C

Mounting: SMD

Price for 1 piece, in rolls of 3000 pieces
