

Time delay relay 0.1s - 1 hour, FC-31, 12V

Product codes:

Reference: AM9172

EAN13: -

UPC: 85364190

Product features:

Voltage: 12 V DC

Waterproof grade: IP20

Product attributes:

Product description:

When connected to the power supply, the relay switches on after a set time delay. Delay setting by SMD trimmer. NO and NC connection.

Adjustable switching time 100 ms to 1 hour

Potential-free relay contact

Supply voltage: 12V DC

Operating current:
