

# LED rectangular 2x3x4mm, white clear

## Product codes:

Reference: AM3238

EAN13: -

UPC: 85414100

## Product features:

Light color: White

Wavelength: 6000-7000 K

Angle of light: 160°

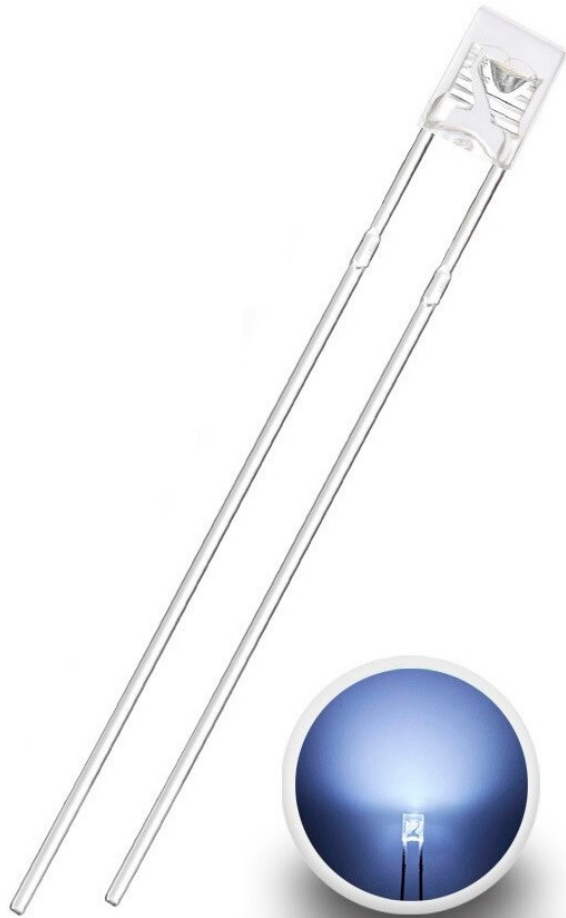

Luminosity: 1500 mcd

Current: 20 mA

Voltage: 3.0-3.4 V DC

Case color: White

## Product attributes:

## Product description:

Super bright diode size 2x3x4mm, LED parameters can be found in the product specification.
