

Digital thermometer -50°C - 110°C, black, 5 meters

Product codes:

Reference: AM2223

EAN13: -

UPC: 90251920

Product features:

Length: 5 m

Color: Black

Power supply: 2x batterie LR44

Temperature range: -50°C - +110 °C

Product attributes:

Product description:

NTC sensor type (10K/3435)

resolution 0.1 °C

power supply 2x LR44 batteries (not included)

sensor 5 meters

size 47x28x14 mm

weight 22 g
