

# Digital thermometer -50°C - 110°C, white

## Product codes:

Reference: AM7674

EAN13: -

UPC: 90251920

## Product features:

Color: White

Type: Panel

Power supply: 2x batterie LR44

Temperature range: -50°C - +110 °C

## Product attributes:

## Product description:

NTC sensor type (10K/3435)

resolution 0.1 °C

power supply 2x LR44 batteries (not included)

size 47x28x14 mm

weight 22 g
