

Voltage regulator from 4.75V-23V DC to 1.0-17V DC

Reference: AM7357

EAN13: -

HS code: 85044090

Product attributes:

Product features:

Input voltage: 4.5-23 V DC

Output voltage: 1.0-17 V DC

Waterproof grade: IP20

Product description:

Miniature voltage regulator from 4.5V-23V DC to 1.0V-17V DC (regulates the voltage downwards only)

Input voltage: 4.5-23V DC

Output voltage: adjustable SMD trimmer 1.0-17V DC

Max. current: max. 1.8A, momentarily up to 3A

Output short circuit protection

Efficiency: 96%

Operating temperature: -40 to 85°C

Dimensions: 17x11x5 mm

Weight: 4g
