

Motor speed controller 10-60V max. 20A

Product codes:

Reference: AM8419

EAN13: -

UPC: 85044090

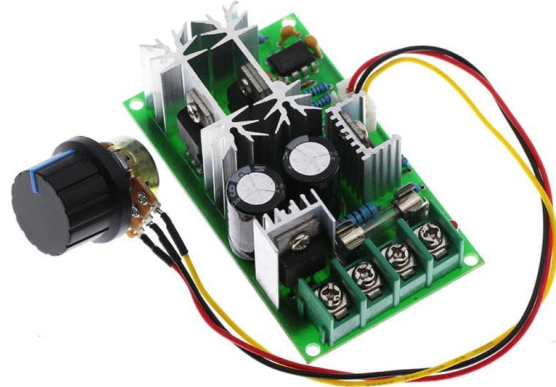

Product features:

Current: 20 A

Input voltage: 10-60 V DC

Output power: 1200 W

Waterproof grade: IP20

Product attributes:

Product description:

Electric motor speed controller

Working voltage: 10-60V DC (12V, 24V, 36V, 48V, 55V DC)

Current: max 20A

Max power: 1200W

Ambient humidity: 0~95%

For indoor use only

Size: 129x99x40mm

Wiring (description from the bottom of the PCB):

POWER (10-60V DC , red)

POWER - (GND, , skeleton, black)

MOTOR (motor pole, red)

MOTOR - (- motor pole, black)
