

LED Diode 8mm, Diffuse milky white

Product codes:

Reference: AM0301

EAN13: -

UPC: 85414100

Product features:

Light color: White

Angle of light: 25-30°

Luminosity: 2000-3000 mcd

Current: 20 mA

Voltage: 3.0-3.2 V DC

Product attributes:

Product description:

Diffuse superluminescent diode, see product specification for LED parameters.
