

COB LED Diode ø90mm, 9W, White

Reference: AM3390

EAN13: -

HS code: 85414100

Product attributes:

Product features:

Light color: White

Color temperature: 6000-6500 K

Angle of light: 120°

Luminosity: 900 lm

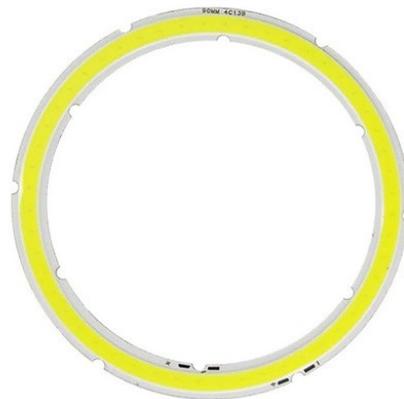

Current: 900 mA

Voltage: 12 V DC

Outer diameter: 90 mm

Internal diameter: 74 mm

Lifetime: 50,000 hours

Product description:

The LED parameters can be found in the product specification.
