

COB LED Diode ø100mm, 10W, White

Reference: AM2614

EAN13: -

HS code: 85414100

Product attributes:

Product features:

Light color: White

Color temperature: 6000-6500 K

Angle of light: 120°

Luminosity: 1000 lm

Current: 1000 mA

Voltage: 12 V DC

Outer diameter: 100 mm

Internal diameter: 84 mm

Lifetime: 50,000 hours

Product description:

The LED parameters can be found in the product specification.
