

24V LED Diode 3mm, Yellow diffuse

Reference: AM2003

EAN13: -

HS code: 85414100

Product attributes:

Product features:

Light color: Yellow
Angle of light: 120-130°
Luminosity: 2000 mcd
Current: 20 mA
Voltage: 24 V DC

Product description:

Superluminous LED with connected resistor

20cm lead cable

Connected resistor corresponding to the required voltage
