

# Wired LED driver, 6A, 5.5x2.1mm, RGB

Reference: AM0883  
EAN13: -  
HS code: 94059900

## Product attributes:

## Product features:

Voltage: 12 V DC  
Voltage: 24 V DC  
Voltage: 5 V DC  
Waterproof grade: IP22

## Product description:

wired LED controller with 4 buttons for RGB LED strip control  
working temperature: -20 to 60°C  
color adjustment  
brightness control  
27 mods  
voltage 5V, 12V, 24V  
max. Power 6A (3x2A)  
power supply via anode  
input connector: DC JACK 5.5x2.1mm  
output connector: 5pin

size: 55.7x16.6x10.7mm (without cable)
