

# Wired LED driver, 6A, 5.5x2.1mm, RGB

## Product codes:

Reference: AM0883

EAN13: -

UPC: 94059900

## Product features:

Voltage: 12 V DC

Voltage: 24 V DC

Voltage: 5 V DC

Waterproof grade: IP22

## Product attributes:

## Product description:

wired LED controller with 4 buttons for RGB LED strip control

working temperature: -20 to 60°C

color adjustment

brightness control

27 mods

voltage 5V, 12V, 24V

max. Power 6A (3x2A)

power supply via anode

input connector: DC JACK 5.5x2.1mm

output connector: 5pin

size: 55.7x16.6x10.7mm (without cable)
