

Cable gland with wire protection, plastic, white, PG thread

Reference: AM4817
EAN13: -
UPC: 85444290

Product attributes:

Thread: PG7, PG9, PG11, PG13.5, PG16, PG19, PG21

Product features:

Waterproof grade: IP68

Product description:

The cable glands are completely sealed and have an IP68 degree of protection. This means that the metal seals are dustproof and protected against the effects of continuous immersion in water. Cable glands are ideal for harsher environments and outdoor applications.**Thanks to spiral protection, it protects the conductor from breakage.**

Flammability: UL 94 V-2

Material: PA66 (polyamide)

Protection: IP68

PG TYPE

Product model	Applicable to cable	Thread diameter (C1)	Length of thread (C2)	Spanner diameter
PG7	3~6.5	12.5	8	16
PG7	2~5	12.5	8	16
PG9	4~8	15.2	8	19
PG9	2~6	15.2	8	19
PG11	5~10	18.6	8	22
PG11	3~7	18.6	8	22
PG13.5	6~12	20.4	9	24
PG13.5	5~9	20.4	9	24
PG16	10~14	22.5	10	27
PG16	7~12	22.5	10	27
PG21	13~18	28.3	10	33
PG21	9~16	28.3	10	33
