

Relay SLA-24VDC-SL-C, 250V/30A for DIN rail

Reference: AM5604

EAN13: -

HS code: 85364190

Product attributes:

Product features:

Voltage: 24 V DC

Max. switching current: 30 A

Max. switching voltage: 250V AC /30 V DC

Product description:

Fully encapsulated relay with industrial quality high-current switching contact. DIN rail mounting. Terminals for easy wiring.

Contact type: switching

Maximum contact current: 30A

Maximum contact voltage: 250V AC

Consumption: 0.93W

Coil resistance: 100Ω

Coil voltage: 24V DC

Dimensions: 87x42x47mm
