

# Aluminum Printed Circuit Board (PCB) for 1W, 3W LED 20mm diameter

Reference: AM8315  
EAN13: -  
HS code: 85366930

## Product attributes:

## Product features:

PCB Color: White

## Product description:

Aluminum circuit board designed for 1W and 3W LEDs used for heat dissipation.

Size 20x20

thickness 1.4 mm

material aluminium

weight 33 grams
