

## AAA alkaline battery, GP SUPER LR03

Reference: AM9142  
EAN13: 4891199141935  
HS code: 85078000

### Product attributes:

### Product features:

Voltage: 1.5 V DC  
Type: AAA  
IEC designation: LR03

### Product description:

The basic range of alkaline batteries excels in low-energy devices. The performance of these batteries is best when used in devices with low long-term current consumption such as: remote controls, clocks, alarm clocks, calculators, various wireless sensors and dials. Compared to zinc carbon and zinc chloride batteries, it has a long shelf life of up to 7 years. Their operating temperature is -20 °C to 54 °C.

alkaline battery 1.5V, AAA, LR03

Suitable for remote controls, watches, computers, video games, cameras, mp3 players, answering machines, PDAs.
