

## COB LED Diode 20W, diameter 70mm

Reference: AM0198

EAN13: -

HS code: 85414100

### Product attributes:

Color of light: Warm white (3000-3500K), Cool white (6000-6500K)

### Product features:

Angle of light: 120°

Luminosity: 1800-1900 lm

Current: 600 mA

Voltage: 30-34 V DC

Performance: 20 W

Lifetime: 20,000 hours

### Product description:

The LED parameters can be found in the product specification.

Colour:

White - 6000-6500K

Warm White - 3000-3500K
