

AAA alkaline battery, GP Ultra Plus LR03

Reference: AM4848

EAN13: 4891199100338

HS code: 85078000

Product attributes:

Product features:

Voltage: 1.5 V DC

Type: AAA

IEC designation: LR03

Charging: No

Product description:

The highest range of alkaline batteries excels in terms of operation time in the most energy-demanding devices requiring maximum performance. Compared to regular alkaline batteries, they deliver up to 60% more energy. The performance of these batteries stands out best when used in devices with a large and sudden consumption of current, such as: digital cameras, photographic flashes, MP3/MP4, remote-controlled toys. These batteries have a shelf life of up to 7 years. Their working temperature is -20 °C to +54 °C.

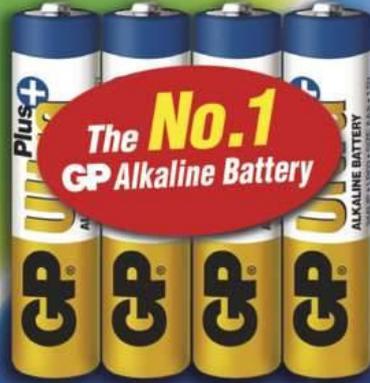

alkaline battery 1.5V, AAA, LR03

Suitable for remote controls, watches, computers, video games, cameras, mp3 players, recorders, PDAs.
