LED source for optical fiber, 2W

Reference: AM4847
EAN13: -
HS code: 94054210

Product attributes:

Color: Warm white, White, Yellow, Red, Green, Blue

Product features:

Input voltage: 12 V DC
Performance: 2 W

Product description:

LED source for optical fiber up to 3mm diameter

Light source size: D3x33mm

Source protection: IP22

Input voltage: 12V DC
