

Limit switch TZ-8104, vertical, lever with roller

Product codes:

Reference: AM0652

EAN13: -

UPC: 85365080

Product features:

Voltage: 115 V DC

Voltage: 250 V AC

Waterproof grade: IP65

Max. current: 5 A

Product attributes:

Product description:

The CNTD TZ-8104 limit switch from the TZ-8 series is a robust industrial mechanical switch designed for precise detection of end positions and mechanical stops. The vertical design with a metal lever and roller allows for smooth movement transmission, a larger working range and reliable function even under repeated mechanical loads in demanding operating conditions.

Technical specifications

- Type: mechanical limit switch
 - Model: TZ-8104
 - Contact arrangement: 1× NO + 1× NC (double circuit)
 - Contact resistance: max. 25 mΩ
 - Insulation resistance: min. 100 MΩ (at 500 VDC)
 - Dielectric strength: 1500 VAC / 1 minute
 - Operating speed: 5 mm/s to 0.5 m/s
 - Mechanical life: up to 1,000,000 cycles
 - Electrical life: more than 500,000 switching cycles
 - Operating temperature: -20°C to +70°C
 - Relative humidity: max. 95% RH
-

- Protection: IP65
- Body dimensions: 29 × 27 × 128 mm
- Weight: 178g

Rated voltages and currents

Load type	Voltage	NO contact	NC contact
Resistive (AC)	125VAC	5 A	5 A
	250VAC	5 A	5 A
Resistive (DC)	8-30 VDC	5 A	5 A
	125 VDC	0.4A	0.4A
	250 VDC	0.2A	0.2A
Induction (AC)	125VAC	3 A	3 A
	250VAC	3 A	3 A
Inductive (DC)	8-30 VDC	4 A	4 A
	125 VDC	3 A	3 A
	250 VDC	3 A	3 A
Surge current	-	12 A	24 A

Functions and features

- Vertical construction with metal lever and pulley
- Smooth operation with greater permissible movement overlap
- Double spring contact mechanism for long life
- Sturdy aluminum alloy and reinforced plastic housing
- Water, oil and dust resistance (IP65)
- Through-hole design for easy wiring connection
- Suitable for both AC and DC applications

Ideal for

- Industrial automation and production lines
- Conveyor and handling systems
- CNC machines and machining centers
- Packaging and assembly machines
- Positioning and safety applications

Package contents

- Limit switch CNTD TZ-8104

Why choose this product?

- Proven industrial series CNTD TZ-8
 - High mechanical resistance and stable parameters
 - Long service life of contacts and mechanical parts
 - Universal use in a wide range of applications
 - Reliable solution with excellent price-performance ratio
-
