

PCB with power supply for 1W, 3W LED, 6-12V, diameter 20mm

Reference: AM5255

EAN13: -

HS code: 85366930

Product attributes:

Product features:

Input voltage: 6-12 V DC

Product description:

Aluminum printed circuit board with integrated LED power supply (1W, 3W). The output voltage is adjusted to the LED.

input voltage 6-12V DC

output voltage 2.0-7.0V DC

max. current 700mA

size 20x20mm

thickness 1.4 mm

material aluminum

weight 2 grams
