

COB LED Diode 3W, diameter 20mm, Bridgelux

Reference: AM2191
EAN13: -
HS code: 85414100

Product attributes:

Color of light: Warm white (3000K), Natural white (4000K), White (6000K)

Product features:

Angle of light: 180°
Luminosity: 360-400 lm
Current: 300 mA
Voltage: 9-12 V DC
Performance: 3 W
Lifetime: 25,000 hours
PCB diameter: 20 mm

Product description:

The LED parameters can be found in the product specification.
