

COB LED Diode 7W, diameter 20mm, Bridgelux

Product codes:

Reference: AM1335

EAN13: -

UPC: 85414100

Product features:

Angle of light: 180°

Luminosity: 840-910 lm

Current: 300 mA

Voltage: 21-24 V DC

Performance: 7 W

Lifetime: 25,000 hours

PCB diameter: 20 mm

Product attributes:

Color of light: Warm white (3000K),
Natural white (4000K), White (6000K)

Product description:

The LED parameters can be found in the product specification.
