

# COB LED Diode 10W, diameter 20mm, Bridgelux

Reference: AM6424

EAN13: -

HS code: 85414100

## Product attributes:

Color of light: Warm white (3000K), Natural white (4000K), White (6000K)

## Product features:

Angle of light: 180°

Luminosity: 1200-1300 lm

Current: 300 mA

Voltage: 30-33 V DC

Performance: 10 W

Lifetime: 25,000 hours

PCB diameter: 20 mm

## Product description:

The LED parameters can be found in the product specification.
