

Industrial connector LP-16, RJ45, male + female

Product codes:

Reference: AM9630

EAN13: -

UPC: 85369010

Product features:

Waterproof grade: IP67

Case color: Red

Product attributes:

Product description:

Set of industrial connectors of the highest quality. Increased resistance to vibration. RJ45 connector - CAT.3 - CAT.6

Protection: IP67

Maximum voltage: 125V AC

Maximum temporary voltage: 1000V

Maximum current: 1.5A

For conductor diameters: 0.25-0.12mm²

Insulation resistance: >500M Ω

Operating temperature: -25 - +80°C

Wire diameter (gland): 5-7mm

Material: plastic, metal, copper

Package contents: male connector, female socket
