

Zinc battery AGFAPHOTO 6F22, 9V

Reference: AM8505
EAN13: 4250175808123
HS code: 85078000

Product attributes:

Product features:

Voltage: 9 V DC
IEC designation: 6F22
Charging: No

Product description:

An economical power source for your everyday and occasional needs - ideal for smoke detectors, remote controls, wireless microphones, multimeters or children's toys. Thanks to classic zinc-carbon technology, it provides a stable voltage of 9 V throughout its life and at the same time low self-discharge during prolonged storage. The robust packaging protects against unwanted leaks and ensures safe storage, while the single-pack packaging allows you to conveniently buy exactly as much as you need. A great choice when you are looking for reliable and affordable power for a wide range of devices.

Number of pieces in the package: 1

Special technology guarantees protection against battery leakage

Designation: 6F22, 9V

Uses: remote controls, wireless microphones, smoke detectors, toys..
