

Zinc battery C, AGFAPHOTO R14, 1.5V

Reference: AM5956
EAN13: 4250175808130
HS code: 85078000

Product attributes:

Product features:

Voltage: 1.5 V DC
Type: C
IEC designation: R14
Charging: No

Product description:

AgfaPhoto R14 zinc battery

A reliable and cost-effective solution for all devices with low to medium power consumption - ideal for wall clocks, radios, emergency lights or large toys. Thanks to zinc-carbon technology, the batteries can withstand larger temperature fluctuations and minimize self-discharge, so you can store them without worry in emergency kits or in the home workshop. The robust packaging also protects against electrolyte leakage and extends the life of the devices. The practical packaging of two allows you to always have a reserve ready for a quick replacement. A great choice if you are looking for reliable and affordable energy for everyday use.

Number of pieces in the package: 2 (price for 1 piece)

Special technology guarantees protection against battery leakage

Designation: R14, 1.5V

Uses: radios, wall clocks, emergency lights, toys..
