

Alkaline battery C, AGFAPHOTO R14, 1.5V

Product codes:

Reference: AM7500

EAN13: 4250175808031

UPC: 85078000

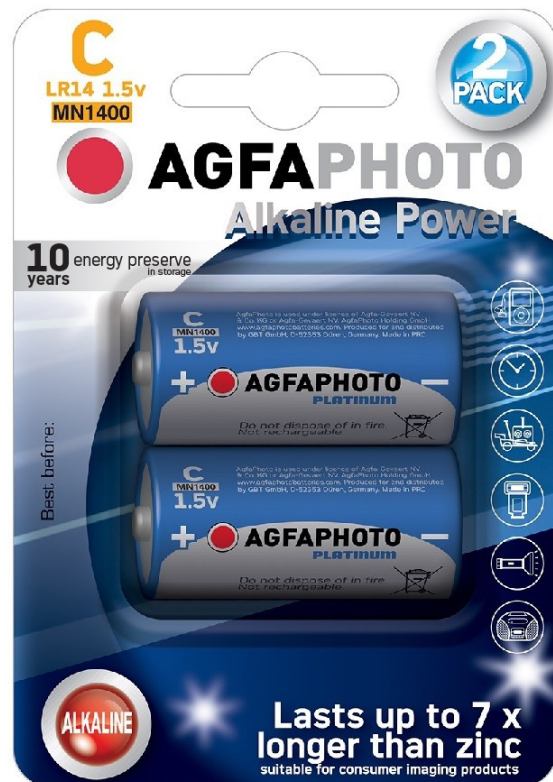

Product features:

Voltage: 1.5 V DC

IEC designation: LR14

Charging: No

Product attributes:

Product description:

Alkaline battery AgfaPhoto Power LR14 (C, 1.5 V, 2 pcs)

High-performance battery suitable for medium and higher loads - ideal for portable flashlights, radios, toys, wireless lights or emergency lighting. Thanks to its high capacity and low internal impedance, it maintains a stable voltage even at peak loads, while minimal self-discharge ensures that you will always have it ready for immediate use. The robust packaging protects against electrolyte leakage and extends the life of your devices. The practical double pack provides a sufficient reserve of batteries for home, workshop and travel - reliable and affordable power for everyday needs.

Number of pieces in the package: 2 (price for 1 piece)

Special technology guarantees protection against battery leakage

Designation: LR14, 1.5V

Uses: radios, clocks, children's toys, flashlights, emergency lighting..
