

Alkaline battery AGFAPHOTO LR1, 1.5V

Product codes:

Reference: AM1958

EAN13: 4250175810874

UPC: 85078000

Product features:

Voltage: 1.5 V DC

IEC designation: LR1

Charging: No

Product attributes:

Product description:

The AgfaPhoto LR01/LR1 alkaline battery is a primary disposable cell designed to power devices using the LR01 or LR1 battery format. It is suitable for specific electronic devices where a stable 1.5 V voltage source is required in this size. The product is supplied as 1 piece.

Technical specifications

- Manufacturer: AgfaPhoto
- Battery type: alkaline
- Designation: LR01/LR1
- Rated voltage: 1.5V
- Design: primary non-rechargeable battery
- Packaging: 1 pc

Functions and features

- Designed for devices compatible with LR01 or LR1 battery format.
 - Alkaline chemical composition for single use.
 - Cylindrical design for installation in the corresponding battery position.
 - Suitable for use in devices with a 1.5 V power requirement.
-

Ideal for

- Remote controls
- Safety and security equipment
- Other electronic devices requiring LR01/LR1 battery

Package contents

- 1x alkaline battery AgfaPhoto LR01/LR1

Why choose this product?

- Clearly designated battery format LR01/LR1.
- Rated voltage 1.5 V for compatible devices.
- Alkaline version suitable for common power supply of electronic devices.
- Easy replacement for the original article of the same designation.

Installation and operating instructions

- Before inserting, verify that the battery marking matches the device requirements.
- Observe the correct polarity according to the markings in the battery compartment.
- Do not attempt to charge the battery.
- If the device is not to be used for a long time, it is advisable to remove the battery.

Safety notice

- Do not recharge, short-circuit, disassemble, or expose to fire.
- Do not combine with other types, brands or different types of batteries.
- Incorrect insertion may damage the device or cause electrolyte leakage.
- Keep out of reach of children.
- Please dispose of used batteries at a designated collection point.
