

Fast charger for mobile devices SOC45W-A+C, white

Reference: AM4158

EAN13: -

HS code: 85044090

Product attributes:

Product features:

Input voltage: 85-265 V AC, 50/60 Hz

Product description:

The practical 45W fast charger SOC45W-A+C enables fast and safe charging of modern devices. Thanks to the support of PD and QC protocols, it is an ideal choice for smartphones, tablets or laptops. Its compact dimensions and universal input voltage make it the perfect companion for travel and the office.

Technical specifications

- Model: SOC45W-A+C
- Input: 100-240V ~ 50/60Hz, 1.2A
- PD output:
 - 5V □ 3A
 - 9V □ 3A
 - 12V □ 3A
 - 15V □ 3A
 - 20V □ 2.25A (max. 45W)
- QC output:
 - 5V □ 3A
 - 9V □ 2A
 - 12V □ 1.5A
- Total power: up to 45W
- Certification: CE/FCC/ROHS
- Made in China

Functions and features

- Supports Power Delivery (PD) and Quick Charge (QC) for fast and efficient charging.
- Automatic detection of optimal charging power according to the connected device.
- Multiple protections against overvoltage, overheating and short circuit.
- Compact and lightweight design ideal for travel.
- Compatible with a wide range of devices, including laptops with USB-C charging.

Ideal for

- Smartphones and tablets supporting PD or QC fast charging
- Laptops and ultrabooks with USB-C charging
- Power banks, wireless headphones, cameras and other accessories
- Travel with universal input and compact size

Package contents

- 1x 45W USB-C + USB-A fast charger SOC45W-A+C
- User manual

Why choose this product?

- Support for the latest PD and QC fast charging technologies.
 - Power up to 45W for charging even more demanding devices, including laptops.
 - Compact and stylish design saves space in your bag or drawer.
 - CE, FCC and ROHS certification ensures safety and reliability.
 - Wide compatibility with various brands and devices.
