

USB-A/USB-C fast charging cable 6A, 60W, 1m

Reference: AM2298

EAN13: -

HS code: 85444220

Product attributes:

Color: White, Black

Product features:

Length: 100 cm

Connector: USB typ A

Connector: USB typ C

Max. current: 6 A

Product description:

The high-quality fast charging USB-C cable is the ideal solution for efficient charging and fast data transfer for mobile devices. With support for current up to 6A and charging power up to 60W, it ensures stable performance and long life even with intensive use.

Technical specifications

- USB type: USB 3.0
- Type: USB-A/USB-C
- Material: Silicone, PVC, aluminum alloy
- Sheath: PVC
- Shielding: Other
- Conductor: Bare Copper
- Power: Max. 60W
- Current: 6A
- Operating temperature: -25°C to +85°C
- Cable length: 1 m
- Package size: 10 x 8 x 3 cm
- Weight: 50g

Functions and features

- Fast charging support, 6A for fast and safe charging
- USB Type-C compatible
- Durable design made of a combination of silicone, PVC and aluminum alloy
- Suitable for data transfer and power supply with a power output of up to 60W

Ideal for

- Charging and synchronizing mobile phones and tablets
- Use with power banks, chargers and other USB devices
- Professional and everyday home use
- High-speed data transfer and fast charging

Package contents

- 1x USB-A to USB-C Fast Charging Cable, length 1 m

Why choose this product?

- Fast and efficient charging with up to 60W power
 - High compatibility with various devices thanks to multiple connectors
 - Durable materials ensure long life
 - Operational reliability even in demanding temperature conditions
