

DC extension cable 5.5x2.1mm, black

Product codes:

Reference: AM6170

EAN13: -

UPC: 8414900090

Product features:

Color: Black

Product attributes:

Length: 1 m, 3 m, 5 m

Product description:

The DC extension cable with straight connector is the perfect choice for reliable power supply to devices such as solar electric fans, CCTV cameras, LED and LCD products. It allows for easy extension of the power route where greater reach is needed.

Technical specifications

- Connector: straight 5.5mm x 2.1mm female to straight 5.5mm x 2.1mm male
- One end: 5.5mm (outer diameter) x 2.1mm (inner diameter) male
- Other end: 5.5mm x 2.1mm female
- Conductor cross-section: 0.33 mm²
- Working voltage: max. 100V
- Working current: max. 5A
- Cable length: 1 m, 3 m, 5 m (depending on variant)

Functions and features

- Straight connectors for easy connection of power devices
 - Suitable for DC power applications
 - Compatible with a wide range of devices
 - Low voltage drop thanks to high-quality copper conductor
 - Recommended for indoor use
-

Ideal for

- Solar powered electric fans
- CCTV security systems
- LED lighting and LED modules
- LCD monitors and other DC devices

Package contents

- 1 pc DC extension cable

Why choose this product?

- Flexible length selection for different applications
- Simple connection thanks to straight connector design
- High quality design for reliable power transmission
- Compatibility with power adapters with 3V-54V output
