

Rechargeable battery GP ReCyko Pro AA, Ni-MH

Product codes:

Reference: AM9136

EAN13: 4891199212734

UPC: 85078000

Product features:

Capacity: 2000 mAh

Voltage: 1.2 V DC

Type: AA

IEC designation: HR6

Charging: Yes

Product attributes:

Product description:

The third generation GP ReCyko Pro Professional rechargeable batteries follow on from their successful predecessors. During their development, emphasis was placed on a high number of charging cycles and minimal self-discharge. These batteries are pre-charged from the factory and do not need to be charged before first use. You simply come, remove the battery from the packaging, insert it into the device and it goes. They are suitable for both very frequent and occasional use, which makes them an ideal universal battery for any use.

Suitable for remote controls, watches, computers, video games, cameras, mp3 players, recorders, PDAs.
