

Halogen bulb with H16 base, 19W, 12V - 4300K

Reference: AM1716
EAN13: -
HS code: 85392210

Product attributes:

Product features:

Angle of light: 360°
Patience: H16
Voltage: 12 V DC
Waterproof grade: IP20
Lifetime: 500 hodin

Product description:

High-quality halogen car bulb with H16 base designed for fog lights and daytime running lights. Offers stable performance, bright warm light and long life thanks to UV quartz glass and precise tungsten filament.

Technical specifications

- Socket: H16 (PGJ19-3)
- Voltage: 12V
- Power: 19W
- Light temperature: 4300K
- Light source: Halogen
- Conductor: High purity tungsten filament
- Gas filling: Krypton/Xenon mixture
- Dimensions: height 66 mm, bulb diameter 11 mm
- Weight: 16g
- Protection: IP20

Functions and features

- Suitable for fog lights, DRL and auxiliary lighting functions.
- Clear quartz glass resistant to high temperatures and UV radiation.
- Stable luminous flux and reliable performance even in demanding conditions.
- Vibration resistance – ideal for modern passenger and off-road vehicles.
- Easy and quick installation thanks to the standardized PGJ19-3 socket.

Ideal for

- Front fog lights
- Daytime running lights (DRL)
- Additional automotive lighting

Package contents

- 1x halogen bulb H16 12V 19W

Why choose this product?

- Long service life thanks to high-quality construction and inert gas.
 - Bright and pleasant 3350K light increases visibility in poor conditions.
 - Compact dimensions and perfect compatibility with the H16 socket.
 - A reliable choice for replacing the original type of lights.
