

Outdoor LED stair light D42B, 0.6 W, IP67

Product codes:

Reference: AM4466

EAN13: -

UPC: 85395200

Product features:

Light color: Warm white

Color temperature: 3000-3500 K

LED type: 2835 SMD

Voltage: 24 V DC

Waterproof grade: IP67

Product attributes:

Product description:

The outdoor recessed LED stair light D42B is designed for safe and elegant lighting of stairs, terraces, walkways and outdoor floors. The specific shape of the light window directs the light to the sides and down, creating pleasant orientation lighting without glare. Thanks to the 24 V DC power supply and IP67 protection, the light is suitable for long-term operation in demanding outdoor conditions.

Technical specifications

- Model: D42B
 - Supply voltage: DC 24 V
 - Power consumption: 0.6 W
 - LED type: SMD2835
 - Light color: white
 - Body material: aluminum + PC
 - Protection: IP67
 - Outer diameter of the lamp: 42 mm
 - Countersink diameter (drilling): 29 mm
 - Inner body diameter: 27 mm
-

- Lamp height: 35 mm
- Power cable length: 520 mm
- Connection type: waterproof 2-pin connector
- Weight: 60g

Functions and features

- Directional light suitable for staircase and orientation lighting
- Recessed mounting in wood, WPC, concrete or stone
- Durable waterproof design for outdoor use
- All-metal head for efficient heat dissipation
- Waterproof connectors allow for easy series connection of multiple luminaires
- Low voltage 24 V DC power supply for increased safety

Ideal for

- Lighting of outdoor stairs and steps
- Terrace and floor lighting
- Garden walkways and footbridges
- Bridges, piers and walkways
- Architectural and security exterior lighting

Package contents

- 1× outdoor LED stair light D42B

Why choose this product?

- Glare-free, directed light, ideal for stairs
- High IP67 protection, suitable even for harsh weather conditions
- Long life and low energy consumption
- Easy installation into a pre-drilled hole
- Professional solutions for modern outdoor LED lighting
