

## RGB digital strip, 30x 5050 SMD

Reference: AM2695

EAN13: -

HS code: 85414100

### Product attributes:

### Product features:

Angle of light: 120-130°

LED type: 5050 SMD

Voltage: 12 V DC

Width: 14 mm

Power consumption: 7.2 W

Processor: 6803

### Product description:

easy installation, the strip can be shaped according to the background.

original decoration

up to 16 million colours

suitable for interior and exterior

30 SMD LEDs per metre

waterproof tube (IP66)

lifetime 50 000 hours

strip width 14 mm

voltage 12V

price per 10cm
