

# LED Flux 5mm, White

## Product codes:

Reference: AM2565

EAN13: -

UPC: 85414100

## Product features:

Light color: White

Wavelength: 6000-7000 K

Angle of light: 120-130°

Luminosity: 5000 mcd

Current: 20 mA

Voltage: 3.0-3.4 V DC

## Product attributes:

## Product description:

Super bright Flux diode, see product specification for LED parameters.
