

# LED Flux 5mm, RGB, common anode

## Product codes:

Reference: AM8588

EAN13: -

UPC: 85414100

## Product features:

Light color: RGB

Angle of light: 120-130°

Luminosity: 5000 mcd

Current: 20 mA

Voltage: 1.8-3.4 V DC

## Product attributes:

## Product description:

Super bright Flux diode 4-pin, LED parameters can be found in the product specification.
