

Connecteur industriel LP-16, mâle vers femelle (prise carrée)

Codes produits :

Référence AM8116

EAN13 : -

CUP : 85369010

caractéristiques du produit :

Couverture: IP67

Attributs du produit :

Nombre de broches: 2-pin, 3-pin, 4-pin, 5-pin, 7-pin, 8-pin, 9-pin

Description du produit :

Jeu de connecteurs industriels de la plus haute qualité avec des contacts plaqués or. Résistance accrue aux vibrations.

Indice de protection : IP67

Tension maximale : 500V (2/3/4-broches), 250V (5/7/8/9-broches)

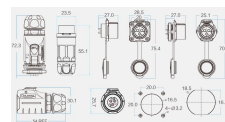

Tension temporaire maximale : 2500V (2/3/4 broches), 1500V (5/7/8/9 broches)

Courant maximal : 10A (2/3/4-broches), 5A (5/7/8/9-broches)

Pour les diamètres des conducteurs : 3-7 mm

Résistance de l'isolation :

MATERIALS

AMPUL LP-16 connector parts: High performance engineering plastic.
 Insulation: 200V class (UL94V-0).
 Contact: Copper alloy (99.99% Cu).
 Contact plating: Silver (Ag).
 Contact finish: 100% Au.
